REGULATION

RULES

THE APPLICATION TO THE FESTIVAL IS FOR FREE BUT THE SELECTED CREWS WILL HAVE TO JOIN THE ASSOCIATION Immagina AND PAY A SUBSCRIPTION.

There are three games at the festival:

1. SEVEN DAYS FOR A FILM

In this game directors and authors test their capability to produce a short film in digital video in seven days, projecting the story, the production plans, until its first public screening. Any director or author can take part, submitting to the festival's direction a significant film from their production.

Authors who have already participated in the past editions have to present a film finished after the **1st January 2016**. If the authors wish or the festival's direction ask for it, the authors will have to send supplementary Internet links to other works.

The application form and the film must be postmarked or sent via email no later than 3th June 2019. The selected authors will be informed before 10th June 2019.

The selected authors will participate to the production of a film in the territory of Casale and Monferrato. The Organization will supply every director with an editing workstation. The rest of the production is at the expense of the authors.

The beginning of Seven days for a film is on 12th July 2019 at 11 am.

The edited master of the film must be given to the Organization **before Saturday 27th July 2019 at 11 am**

and will be screened to the jury and the audience. During the day, the films will be screened in a loop.

The members of the crew (max. 5 per crew) will be hosted in half-board from 19th until 27th July 2019 (accommodation until 27th July – dinner until 26th July). The crews will also receive logistical support as far as it concerns the search for locations and extras. The Organization is not in charge for the search for technical staff (editors, directors of photography, sound mixers) and actors, but **by request the association's database can be consulted.**

Accepting the invitation to the game, the film makers and the crew engage to participate to the competition. It will not be possible to cancel after 15th June 2019, except for important and proven reasons. In case the cancellation is done later than this date, the crew will have to pay a fee amounting to the catering cost for the

entire crew. With this measure the association intends to safeguard itself from consuming its resources.

The Municipality of Casale and Immagina acquire the rights to use the short films for non-profit purposes in order to promote the territory and the activities of the association.

Special regulations for the game will be sent to the selected participants.

2. MIDSUMMER FILM SHOWCASE

There aren't any genre or length restrictions. The films must be postmarked no later than 1 July 2019.**

The authors will be invited at the incontestable discretion of the Commission composed by the stage management by 7th July 2019. The screening will be from 20th – 26th July 2019, according to the program disclosed by 7th July 2019.
